Extension of leave by about 3 months & this extension including the vacation but not the period of leave without allowances was as advised by the Comptroller ordered to be treated as Furlough on Med'l. Certificate.

2 It may thus be seen that the vacation for which Mr. Mackintosh wants full pay was preceded by L. W. A for about 6 weeks & followed by Furlough on Med'l Certificate for 3 months. The Comptroller states that Mr. M is not entitled to full pay for the period of vacation.

3 Mr. Mackintosh has also interviewed the Ch: Secy on the same subject.

Sir,

Adverting to Government notification No.252/C.B. 154-19-17 dated the 16th August 1920 regarding the grant of leave to Mr. A.B. Mackintosh, Professor of English, Maharaja's College, I am directed to forward herewith for favourable consideration a copy of letter dated the 16th February 1921 from the Professor requesting the grant of full pay for the period of vacation of 1920 in the circumstance represented therein.

I am to add that the Comptroller to Government who was consulted in the matter is of the opinion that the Professor is not entitled to the concession asked for. Copy of Comptroller's letter No.613/G.A.D dated the 28th February 21 is enclosed for the information of Government.

Adverting to your D.O. No.433 dated the 19th February 1931 enquiring whether Mr. A.B. Mackintosh, Professor of English, Maharaja's College, Mysore, will be emtitled to full pay for the period of vacation of 1930 I have the honor to state that he will not be entitled to the full pay for the period of vacation, as the leave was both affixed and prefixed to the vacation.

Letter dated the 16th February 1921 from Mr. A.B. Mackintosh Professor of English, Maharaja's College, Mysore, to the Registrar, Mysore University, Mysore.

I beg to request that Government may be pleased to grant me full pay for period of vacation 1920, and that this period may not be counted as furlough.

In support of this request, I wish to submit following considerations:-

1. According to regulations in force prior to October 1920, furlough could not be taken before eight years service. European officers could formerly proceed home within limits of vacation. This is no longer possible owing to passage difficulty. Yet it was not advisable for me, for reasons of health, to remain eight years after first arrival without proceeding to England.

2. Actually I was absent from classes about nine weeks. Thereby I lost total pay for one month eleven days, and half pay for nearly five months.

3. Under the new regulations the difficulty might have been avoided by taking furlough in continuation of vacation.

4. It does not seem to be the intention of the regulations to penalize an officer retrospectively, if he is obliged to take leave on medical certificate.

5. I hope that allowance may be made for the peculiar difficulties of European Officers in regard to passage difficulty and increased expenses.

Sir,

Adverting to Chief Secretary's letter No.2572/C.B. dated the 30th June 1921 stating that full pay is not admissible under the rules to Mr. A.B. Mackintosh, Professor of English, for the period of the summer vacation of 1920 to which leave was both prefixed and affixed, I am directed to forward herewith for Orders of Government a copy of letter dated the 16th July 1921 from the Professor stating that he is entitled to a treatment different from that contemplated in article 151 Mysore Service Regulations.

Letter dated the 16th J u l y 1921 from Mr. A.B. Mackintosh, M.A., Professor of English, Maharaja's College, Mysore, to the Registrar, Mysore University, Mysore.

With reference to Government order on my application in regard to leave in 1920, I beg to call attention to rule 151, Mysore Service Regulations 1912 which says, "If an officer not subject to the rules under Chapter XIV who is absent on leave on private affairs or on furlough, takes an extension of leave on medical certificate, the whole of the absence will be treated as leave on medical certificate."

This seems to imply that Officers who come under Chapter XIV (as I do)are treated differently.

To

The Registrar,

Mysore.

Sir,

With reference to your letter No. 1537 dated 17th August 1921, forwarding copy of a letter dated 16th July 1921 from Mr. Mackintosh, stating that he is entitled to a treatment different from that contemplated in Art. 151, M.S.R., I am directed to state that neither under the revised rules nor under the old rules of the M. S. R., can vacation be both affixed and prefixed to leave. Mr. Mackintosh's claim for full pay during the vacation is, therefore, inadmissible as already stated. The provision in Art.151 of the old rules does not in any way affect the case of Mr. Mackintosh. He may be informed accordingly.

I have, etc.,
